A HISTORY OF THE NEW YORK RACING ASSOCIATION

Created more than 60 years ago so that New York State could share in the boom in racing that followed World War II, The New York Racing Association, Inc., (NYRA) holds the exclusive right to conduct racing at Aqueduct Racetrack, Belmont Park, and Saratoga Race Course.

NYRA tracks are the cornerstone of New York State's thoroughbred industry, which is responsible for 19,000 jobs and more than $3 billion in annual economic impact to New York State. Over the course of 190 days of live racing in 2024, NYRA generated more than $2 billion in all-sources handle. In 2024, the historic Saratoga Race Course continued to shine generating more than 1 million in paid attendance and $803,807,011 in all-sources handle.

NYRA was formed in 1955, when the Greater New York Association acquired the assets of the four racing associations operating Belmont, Jamaica, Saratoga and Aqueduct racetracks. Within four years, the NYRA had demolished the old Aqueduct and in 1959 opened the modern Aqueduct Racetrack. Jamaica Race Track was closed the same year. From 1963 through 1968, Belmont Park was shuttered while a new grandstand was built.

BELMONT PARK

Just 13 horses in racing's illustrious history have swept across the finish line at the Belmont Stakes to complete the Triple Crown, with the most recent being American Pharoah (2015) and Justify (2018) adding to their respective earlier victories in the Kentucky Derby and Preakness before securing their legacies at Belmont Park in the "Test of the Champion."

But the Belmont Stakes has seen more than just future Hall of Famers and favorites earn trips to the winner's circle. Unexpected efforts, like 10-1 selection Sir Winston in 2019, have secured their place in history by winning the 1 1/2-mile final jewel of the Triple Crown series, which in 2021 returned to its familiar distance and spot on the Triple Crown calendar after a historic 2020 that saw the Belmont Stakes contested at nine furlongs as the first leg of the Triple Crown due to the COVID-19 pandemic.

In 2020, Tiz the Law made history by becoming the first New York-bred to win the signature race since the 19th century, joining the first-ever victor Ruthless [1867], Fenian [1869], and Forester [1882]. In doing so, he captured the first Belmont Stakes not contested at 1 1/2 miles since 1925. With tradition restored in 2021, the reigning Eclipse Award-winning 2-Year-Old Champion Essential Quality captured the Grade 1 Belmont Stakes presented by NYRA Bets ahead of scores at Saratoga Race Course in the Grade 2 Jim Dandy and Grade 1 Runhappy Travers.

Changes at Belmont haven't been the exclusive domain of just the racing calendar. Fans driving to Belmont Park have seen a new 18,000-seat arena arise from what was once a parking lot near the grandstand entrance. The UBS Arena, home to the National Hockey League's New York Islanders, opened in November 2021. In 2022, the Todd Pletcher-trained Mo Donegal edged clear to a three-length score over his filly stablemate Nest to win the 154th Belmont Stakes.

In 2023, trainer Jena Antonucci attained racing immortality when Blue Rose Farm's Arcangelo stormed up the rail to claim a 1 1/2-length victory in the Grade 1, $1.5 million Belmont Stakes presented by NYRA Bets, marking the first time in history that a female trainer captured a Triple Crown race. The victory also marked the first Belmont Stakes score for Hall of Fame jockey Javier Castellano, and the final Belmont Stakes held on Long Island prior to the redevelopment of the facility.

NYRA has now embarked on the construction of a new and modernized Belmont Park. Centered around a 300,000 sq ft grandstand designed to accommodate year-round activity, the new Belmont Park will feature the modern amenities and hospitality offerings fans now expect from major sports and entertainment venues. By reducing the building's footprint from the previous 1.25 million square feet, and opening the infield for the first time, the new Belmont will dramatically increase the amount of green space available to fans and the surrounding community.

In addition to the new grandstand, NYRA is in the process of completely renovating the existing main dirt track and two turf courses and adding a new, all-weather synthetic surface. As a result, the new Belmont Park will feature the safest and most modernized racing surfaces in the sport.

When racing returns to Belmont in 2026, the all-weather synthetic surface will be used as the exclusive surface for winter racing.

In 2024, the Grade 1, $2 million Belmont Stakes presented by NYRA Bets was held at Saratoga Race Course for the first time and contested at 1 1/4-miles as Dornoch posted a 17-1 upset with Luis Saez at the helm for trainer Danny Gargan in front of a capacity crowd of 50,000.

SARATOGA RACE COURSE

The 2024 summer meet at historic Saratoga Race Course generated more than $800 million in all-sources wagering handle and exceeded 1 million in paid attendance. Handle from all sources eclipsed total wagering for the 2023 Saratoga meet despite the cancellation of a full day of racing on Friday, Aug. 9 due to the remnants of Tropical Storm Debby.

All-sources handle for the 2024 summer meet totaled $803,807,011 with paid attendance of 1,051,092. Average daily handle for the 39-day meet was $20,610,435, reflecting an annual increase of 3.2 percent.

Among the noteworthy highlights of the meet was the introduction of the NYRA Students of Thoroughbreds and Racing (STAR) program. As many as 850 youth participated in the inaugural program which provided them with behind-the-scenes access into the world of thoroughbred racing. NYRA STAR members experienced Saratoga through exclusive on-track events and educational opportunities, culminating in an end-of-season celebration on the final Sunday of the summer meet.

Saratoga Race Course, the surrounding communities and the many local attractions, including the Philadelphia Orchestra's annual summer residency at the Saratoga Performing Arts Center, were showcased on a national stage thanks to the continuing partnership between NYRA and FOX Sports. *FOX Saratoga Saturday* returned for the second consecutive year and culminated its summer run on FOX with the DraftKings Travers.

Klaravich Stables was the meet's leading owner; Chad Brown captured the H. Allen Jerkens training title; and jockey Irad Ortiz, Jr. won the Angel Cordero, Jr. riding title. Fierceness became the 13th horse to capture both the Jim Dandy presented by Mohegan Sun and the DraftKings Travers, edging out popular filly Thorpedo Anna in the thrilling 155th renewal of Saratoga's premier Grade 1 event.

NYRA completed work on a new residential building for the backstretch community at Saratoga Race Course. The 6,000 square-foot, 116-unit dormitory on the Oklahoma Training Track is the latest in a series of actions by Governor Kathy Hochul and NYRA to improve housing along the backstretch. In addition, NYRA is renovating and modernizing existing housing on both the Oklahoma and main track with new dormitory construction planned through 2025.

NYRA unveiled sweeping renovations and upgrades to the lower level of the Clubhouse, highlighted by a reimagined Jim Dandy Bar, presented by Great Jones Distilling Co. The improvements included a new Clubhouse Grill and an expansive drinking rail that provides an unobstructed view of the paddock.

Already famous for its mineral baths, Saratoga held its first thoroughbred meet just a month after the Battle of Gettysburg. Staged by gambler, casino owner, ex-boxing champion and future Congressman John "Old Smoke" Morrissey and beginning on August 3, 1863, the four-day meet drew thousands of locals and tourists who saw Lizzie W. defeat Captain Moore in the best-of-three series. Emboldened by the success of that first meet, Morrissey promptly enlisted his friends John R. Hunter, William Travers and Leonard Jerome to form the Saratoga Association. Its first responsibility was the construction of a new, permanent grandstand on the current site of Saratoga Race Course.

In 1963, the construction of the Northway improved automotive access to the track from the New York State Thruway in Albany. Named one of the world's great sporting venues by Sports Illustrated, the past comes alive every summer in the historic grandstand as guests experience not only the best in thoroughbred racing, but the unmatched ambience and charm of Saratoga Springs. Although some may quibble with the order, it's no wonder that Saratoga's motto is "Health, history, and horses."

AQUEDUCT RACETRACK

Aqueduct Racetrack opened on September 27, 1894, on property that belonged to the old Brooklyn Water Works, which was home to a conduit that brought water to New York City from the vast Hempstead Plain. Also known as the Big A, Aqueduct is the only racetrack in New York City, occupying 210 acres in South Ozone Park in the borough of Queens. Just eight miles from its sister track, Belmont Park, Aqueduct's neighbor is John F. Kennedy International Airport, the top international passenger gateway in the United States.

Through the years, the Big A has been the scene of some of racing's landmark events, including the only triple dead heat in stakes history when Brownie, Bossuet, and Wait a Bit hit the wire as one in the Carter Handicap on June 10, 1944. Man o' War, Sword Dancer, Kelso, Buckpasser, Dr. Fager, Secretariat, Forego, Easy Goer and Smarty Jones built their legends at Aqueduct, and Cigar, for whom the Grade 1 Cigar Mile is named, won the first two races of his 16-race winning streak at the Big A.

From 1955-59, Aqueduct was rebuilt at a cost of $34.5 million. With a new grandstand, racing strip, barns, and accessory buildings, the new Aqueduct opened on September 14, 1959 to a crowd of 42,473 and rave reviews as the most up-to-date racing facility in North America. From 1963-68, during the reconstruction of Belmont Park, Aqueduct was the site of the Belmont Stakes.

Since 2013, NYRA has invested millions of dollars in capital improvements at Aqueduct, showcasing a continued focus towards enhancing the guest experience and improving the quality of racing.

One transformational addition was the opening of Longshots, a state-of-the-art simulcasting center and sports bar located on the second floor. Longshots has become highly popular with horseplayers year-round, including the Belmont and Saratoga meets when operations shifted away from Aqueduct.

The 2017 fall meet saw the replacement of the winterized inner track with a new, outer turf course as well as the renovation of the main track oval to accommodate year-round racing.

The opening of the 2018 Aqueduct Fall Meet brought the unveiling of a new, renovated inner turf course, similar in design to the outer turf course, which replaced the winterized inner track in 2017 and garnered rave reviews from jockeys and horsemen. Construction of the new inner turf included the installation of a new sand drainage layer and an improved irrigation system to match that of the outer turf. Also like the outer course, new Kentucky Blue Grass sod was installed on the seven-furlong course and chute.

NYRA & SAFETY

NYRA SAFETY MISSION STATEMENT

The safety and welfare of horses and jockeys competing at NYRA tracks is our highest priority. That is why NYRA is committed to providing the safest possible environment for racing and training by adopting and implementing the best proven safety practices in consultation with independent experts, veterinarians, horsemen and regulators.
Accredited by the National Thoroughbred Racing Association's Safety and Integrity Alliance, NYRA is a founding member of the Thoroughbred Safety Coalition, a group of the nation's leading racing organizations working collaboratively to advance safety measures across the sport.

The new safety rail on the Aqueduct main track, the first of its kind at a NYRA track and one of several safety-enhancing capital improvements NYRA has undertaken since 2013.

In addition to our organizational commitment to keeping racing safe, NYRA and its horsemen are strong supporters of the Thoroughbred Aftercare Alliance, which accredits, inspects, and awards grants to approved aftercare organizations to retire, retrain and rehome thoroughbreds after their racing days are done.

HORSERACING INTEGRITY AND SAFETY AUTHORITY (HISA)

HISA was created to implement, for the first time, a national, uniform set of integrity and safety rules that are applied consistently to every Thoroughbred racing participant and racetrack facility.

HISA's Racetrack Safety standards and Anti-Doping and Medication Control Program are designed to enhance the safety and wellbeing of both horse and rider while ensuring the integrity of the sport for the benefit of the industry, fans and bettors. A safer, fairer sport will also be a more popular sport for generations to come.

"HISA will achieve the reforms long supported and advanced by NYRA, including a national approach to medication control and the strongest anti-doping authority the sport has ever seen. Horse racing is an engine for economic opportunity that creates and sustains good jobs in every corner of New York State, and the successful implementation of HISA will secure its future in New York and across the country." ~ David O'Rourke, President & CEO, New York Racing Association, Inc.

TRIPLE CROWN CHAMPIONS. 169-182

FIRST RUNNING
The first running of the Belmont Stakes in 1867 at Jerome Park took place on a Thursday. The race was 1 5/8 miles long and the conditions included "$200 each; half forfeit, and $1,500-added. The second to receive $300, and an English racing saddle, made by Merry, of St. James Street, London, to be presented by Mr. Duncan."

OLDEST TRIPLE CROWN EVENT
The Belmont Stakes, first run in 1867, is the oldest of the Triple Crown events. It predates the Preakness Stakes (first run in 1873) by six years and the Kentucky Derby (first run in 1875) by eight. Aristides, the winner of the first Kentucky Derby, ran second in the 1875 Belmont behind winner Calvin.

FOURTH OLDEST IN NORTH AMERICA
The Belmont Stakes, first run in 1867, is one of the oldest stakes races in North America. The Phoenix Stakes at Keeneland was first run in 1831, the King's Plate in Canada had its inaugural in 1860, and the Travers started at Saratoga in 1864. However, the Belmont, which will be run for the 157th time in 2025, is third to the Phoenix (173rd running in 2025) and King's Plate (166th running in 2025) in total runnings. The Travers has had gaps in its history and its 156th running will be in 2025.

MOVED TO MORRIS PARK
In 1890, the Belmont, named for August Belmont I, was moved from Jerome Park to Morris Park, a 1 3/8-mile track once located a few miles east of what is now Van Cortlandt Park in the Bronx. The Belmont Stakes was run at Morris Park until Belmont Park opened in 1905.

FIRST RUN COUNTER-CLOCKWISE IN 1921
The 1921 Belmont was the first to be run in the counter-clockwise direction; the 53rd running was a 1 3/8-mile race over the main course. Previous renewals had been run clockwise, in accordance with English custom, over a fish-hook course that included part of the training track and the main dirt oval.

FIRST POST PARADE
The first post parade in the United States came in the fifth running in 1871.

TEST OF THE CHAMPION GETS NEW QUESTIONS
The COVID-19 pandemic necessitated changes for the 2020 Belmont Stakes, with the altered training schedule prompting the Classic to be held at a one-turn 1 1/8 miles, marking the first time since 1925 the race was not contested at its famed 1 ½ miles. This Belmont Stakes edition, which was held without spectators and contested as the first leg of the Triple Crown instead of the concluding one that year for the first time in history, saw Tiz the Law become just the fourth-ever New York bred to win the Belmont Stakes and the first in 138 years [Forester in 1882] when he was victorious under jockey Manny Franco for trainer Barclay Tagg.

A BELMONT AT SARATOGA
Due to the ongoing construction of a new and reimagined Belmont Park, the 2024 Belmont Stakes was moved to Saratoga Race Course for the first time in history. This special running generated unprecedented interest as well as record handle for a non-Triple Crown running, with a sold-out crowd out 50,000 witnessing Dornoch fending off Mindframe to capture the 156th edition of the Belmont Stakes. As construction continues in Elmont, the Belmont Stakes will once again be held at Saratoga Race Course in 2025.

LOWEST/HIGHEST PURSES
The purse for the first running of the Belmont was $1,500-added with a total purse of $2,500; the winner's share of $1,850 was taken by the filly Ruthless. The lowest winner's share in the history of the Belmont Stakes was the $1,825 earned by The Finn in the 1915 running. The 1992 edition of the Belmont was the richest running with a total purse of $1,764,800; A.P. Indy won. The purse for the 2025 Belmont Stakes will again be an all-time high of $2 million.

SMALLEST/LARGEST WINNING MARGINS
The closest finishes in the Belmont were by a nose: Granville beat Mr. Bones in 1936; Jaipur beat Admiral's Voyage in 1962; Victory Gallop beat Real Quiet in 1998, and Creator over Destin in 2016. There have been a number of head decisions including Ruthless' victory in the inaugural Belmont. Also winning by a head were Ildrim (1900); Colin (1908); Affirmed over Alydar (1978); Hansel (1991); Lemon Drop Kid (1999) and Tonalist over Commissioner (2014).

SMALLEST/LARGEST FIELDS
There has never been a walkover in the Belmont. There have been five two-horse fields: 1887, 1888, 1892, 1910 and when Man o' War won in 1920. The largest field was 15 in 1983, when Caveat defeated Slew o' Gold. The second-largest fields were 14 in 1875, when Calvin beat his stablemate, Kentucky Derby winner Aristides; in 1996, when Editor's Note won; and 2013, when Palace Malice triumphed.

HIGHEST/LOWEST PRICED WINNER
Sarava $142.50 (2002)/Count Fleet $2.10 (1943)

FORMFUL RACE
The Belmont Stakes has seen 66 betting favorites (42.30 percent) capture the "Test of the Champion."

NO PLACE OR SHOW BETTING
Since the advent of mutuels in New York in 1940, there have been six occasions when no place or show betting was taken on the Belmont Stakes.

Most recently, there was no show wagering in the Belmont Stakes in 1978, when Affirmed and Alydar hooked up for their classic confrontation.

There was also no show wagerging in 1973 when Secretariat won the 105th running of the Belmont by 31 lengths; "Big Red" paid $2.20 to win and $2.40 to place.

Show betting was also eliminated in 1957 when Gallant Man and Bold Ruler hooked up in the 89th Belmont and Bill Shoemaker guided Gallant Man to an eight-length triumph.

The 1953 Belmont, won by Native Dancer, was also without show wagering. The 1943 Belmont won by Count Fleet had neither place nor show wagering when the Triple Crown winner drew off by 25 lengths at $.05-1.

When Whirlaway completed his sweep of the Triple Crown in the 1941 Belmont there was also no show betting.

MINUS POOLS
A minus win pool took place in 1943 when Count Fleet completed his sweep of the Triple Crown with a smashing 25-length victory. The minus win pool on Count Fleet was $15,912.02.

The 1969 running of the Belmont Stakes produced the first minus show pool in the history of the race when Arts and Letters won and created a minus show pool of $5,782.98.

The 1979 Belmont, when Hawksworth Farm's Spectacular Bid finished third at odds of $.30-1 to win, also resulted in an on-track minus show pool of $19,500.81.

LARGEST ATTENDANCE

A record crowd of 120,139 attended the 2004 Belmont Stakes. Long shot Birdstone won; Smarty Jones finished second by a length, failing to win the Triple Crown. Conversely, the 2020 Belmont Stakes was held without spectators due to the COVID-19 pandemic.

JAPANESE WAGERING ON THE BELMONT STAKES

The Belmont Stakes became the first Triple Crown race available for wagering in Japan in 2017, due to the entry of Japan-based stakes winner Epicharis. That year, $4,698,525 was wagered on the Belmont in a separate, non-comingled pool in Japan, despite the race-day scratch of Epicharis. For the second time in its history, the 2019 Belmont Stakes offered separate pool wagering in Japan. The total for this non-commingled pool, which is not included in the all-sources number, was $4,362,972.

"OFF" TRACKS

The Belmont Stakes has been run over an "off" track on 38 occasions (23.71 percent). The most recent was in 2011 when Ruler On Ice won on a "sloppy/sealed" track.

THE PERMANENT TROPHY

The August Belmont Memorial Cup is a solid silver bowl and cover made by Tiffany & Co. It is 18 inches tall, 15 inches across and 14 inches at the base. Atop the cover is a silver figure of 1869 Belmont winner Fenian. The bowl is supported by three horses - Herod, Eclipse and Matchem - who represent the respective superior male-line descendants of the three foundation sires of thoroughbreds: the Byerly Turk, the Darley Arabian and the Godolphin Barb. Of these, the Eclipse lineage is predominant in the modern thoroughbred.

The trophy was presented by the Belmont family as a perpetual award for the Belmont Stakes in 1926. It was the trophy August Belmont received when Fenian won the third running and it had since remained with the Belmont family. The winning owner may keep the trophy for a year until the next Belmont winner is crowned.

The winning owner, trainer, and jockey also receive a silver miniature of the August Belmont Memorial Cup.

BELMONT SONGS

"New York, New York", written by John Kander and Fred Ebb, was played as the field for the Belmont Stakes made its way to the starting gate from 1997-2009 and 2011- present. "Sidewalks of New York" was performed prior to 1997. In 2010, "Empire State of Mind" was performed.

CARNATION BLANKET

The white carnation is the traditional flower of the Belmont Stakes. The blanket of carnations worn by the Belmont Stakes winner takes five hours to create on the day of the race. More than 700 select carnations from Colombia are glued by hand onto a green velveteen spread. A similar, smaller blanket is created to adorn the statue of Secretariat in the Belmont Park paddock.

NEW YORK BREDS

Tiz the Law became the first state-bred in 138 years to win the Belmont Stakes with his 2020 victory. The win in the 1 1/8-mile contest, which served as the first leg of the Triple Crown that year, made Tiz the Law just the fourth New York bred to win the Belmont Stakes and the first since the 19th century. Ruthless, a filly who won the first running of the Classic in 1867, Fenian [1869] and Forester [1882] are the only other horses bred in New York to win their home state's most prestigious race.

BELMONT
RUNNERS

THE FIRST BELMONT

The Belmont Stakes is named after the track's namesake: August Belmont I. Belmont was a financier who made a fortune in banking in the middle to late 1800s. He also branched out into politics and New York society.

Interestingly, there was also a thoroughbred named Belmont in the United States long before the Belmont Stakes. Bred in Franklin, Ohio, Belmont was born in 1847 and never raced. Upon moving West in 1853, he became the foundation sire for California thoroughbreds. He died at age 18 in 1865.

GELDINGS IN THE BELMONT

Ruler On Ice became the second gelding to win the Belmont Stakes when he won in 2011; in 1985, Creme Fraiche became the first to do so. Geldings were allowed to compete in the race from its inaugural running in 1867 to 1918, and even received a three-pound weight allowance. After 1918, however, they were barred from the race until 1957. Funny Cide, a New York-bred gelding, failed to win the Triple Crown when he finished third behind Empire Maker in 2003.

FILLIES IN THE BELMONT

There have been only 24 fillies that have competed in the Belmont Stakes.

1905	Tanya	WON	2007	Rags to Riches	WON
			2013	Unlimited Budget	6th
			2022	Nest	2nd

Rags to Riches' 2007 Belmont Stakes victory was memorable for two important reasons. She became the third filly in history and the first since Tanya in 1905 to win the Belmont. She also followed her half-brother, Jazil, as a Belmont winner. Jazil, by Seeking the Gold, won the 2006 Belmont Stakes. Rags to Riches is by 1992 Belmont Stakes winner and Horse of the Year A.P. Indy. Both Jazil and Rags to Riches are out of the Deputy Minister mare, Better Than Honour.

BELMONT WINNERS AS SIRES OF OTHER BELMONT WINNERS

Fourteen Belmont Stakes winners have sired at least one Belmont winner. Leading the list of Belmont sires is Man o' War (1920) who sired three subsequent winners – American Flag (1925), Crusader (1926) and Triple Crown winner War Admiral (1937).

Four Belmont winners have sired two winners:
* Commando (1901) sired Peter Pan (1907) and Colin (1908)
* Triple Crown winner Gallant Fox (1930) sired Triple Crown winner Omaha (1935) and Granville (1936)
* Triple Crown winner Count Fleet (1943) sired Counterpoint (1951) and One Count (1952)
* Triple Crown winner Seattle Slew (1977) sired Swale (1984) and A.P. Indy (1992) (who sired 2007 winner Rags to Riches)

Nine winners have sired one winner: Duke of Magenta (1878) sired Eric (1889); Spendthrift (1879) sired Hastings (1896); Hastings (1896) sired Masterman (1902); The Finn (1915) sired Zev (1923); Sword Dancer (1959) sired Damascus (1967); Secretariat (1973) sired Risen Star (1988); Thunder Gulch (1995) sired Point Given (2001); A.P. Indy (1992) sired Rags to Riches (2007); Birdstone (2004) sired Summer Bird (2009).

FEMALE TRAINERS

Eleven women have trained Belmont Stakes runners. In 2023, Jena Antonucci became the first woman to train a Belmont Stakes winner when Arcangelo took home the blanket of carnations by 1 1/2 lengths. The victory also made Antonucci the first woman to capture any of the three Triple Crown races. Additional women who have saddled Belmont Stakes contenders are Sarah Lundy (Minstrel Star, 11th, 1984); Patricia Johnson (Fast Account, 4th, 1985); Dianne Carpenter (Kingpost, 2nd, 1988); Shelley Riley (Casual Lies, 5th, 1992); Cynthia Reese (In Contention, 9th, 1996); Nancy Alberts (Magic Wesiner, 4th, 2002); Jennifer Pedersen (Artax Too, 11th, 2002); Linda Rice (Supervisor, 5th, 2003);(Max Player, 3rd, 2020) Alexis Barba (Make Music for Me, placed 9th via DQ, 2010); and Kathy Ritvo (Mucho Macho Man, 7th, 2011).

Woody Stephens won five consecutive Belmonts: Conquistador Cielo (1982), Caveat (1983), Swale (1984), Creme Fraiche (1985) and Danzig Connection (1986). Three trainers have won three Belmonts in a row: D. Wayne Lukas with Tabasco Cat (1994), Thunder Gulch (1995) and Editor's Note (1996); Colonel David McDaniel with Harry Bassett (1871), Joe Daniels (1872) and Springbok (1873), and Frank McCabe with Inspector B. BACK-TO-BACK WINNERS

Consecutive riding victories have been accomplished seven times:
* Ron Turcotte won consecutive Belmont Stakes when he rode Riva Ridge (1972) and Secretariat (1973) for Meadow Stable
* Eric Guerin accomplished the same feat with Native Dancer (1953) and High Gun (1954)
* Eddie Arcaro won with Triple Crown winner Whirlaway (1941) and Shut Out (1942)
* James Stout won with Pasteurized (1938) and Johnstown (1939)

THREE BELMONTS, THREE TRACKS

Hall of Fame jockey Braulio Baeza rode three Belmont Stakes winners over different tracks: Sherluck (1961) at old Belmont; Chateaugay (1963) at Aqueduct; and Arts and Letters (1969) at the present Belmont Park.

AFRICAN-AMERICAN JOCKEYS IN THE BELMONT

Hall of Famer Ed Brown became the first African-American jockey to win the Belmont Stakes in 1870 aboard Kingfisher. Following his riding career, Brown became a successful trainer and in 1877 he trained Kentucky Derby winner Baden Baden, who finished third in the 11th running of the Belmont Stakes. Born in Lexington, Ky. in 1850, Brown died of tuberculosis in nearby Louisville on May 11, 1906.
The only African-American jockey to win the Belmont Stakes twice was Hall of Famer Willie Simms with Commanche (1893) and Henry of Navarre (1894). Simms is also known for introducing the "short" style of riding by leaning forward, crouched over the withers with his feet tucked into short stirrups. He is the only black rider to win all three Triple Crown events; he won the Kentucky Derby with Ben Brush (1896) and Plaudit (1898) and the Preakness with Sly Fox (1898). Simms' record in the Belmont also included one second-place finish (Handspring in 1896), two thirds (Nanki Poo in 1895 and Octagon in 1897) and a fourth (Chaos in 1890).
Jockey Oliver Lewis, who captured the inaugural running of the Kentucky Derby in 1875 on Aristides, finished second, two lengths behind Calvin, in the ninth running of the Belmont that year.
In 1889, jockey Anthony "Tony" Hamilton rode odds-on favorite Diablo to a second-place finish in the 23rd running of the Belmont. During his career, Hamilton won many major races including the Brooklyn (Exile in 1889 and Hornpipe in 1895), Metropolitan (Counter Tenor in 1896) and Suburban (Lazzarone in 1895) Handicaps, as well as the country's oldest stakes race, the Phoenix Handicap (Sligo in 1881).
Beaver Dam, NY native Shelby "Pike" Barnes won the 24th running of the Belmont in 1890 aboard Burlington. Barnes' riding career was cut short due to problems maintaining his weight. Fourth- and last-place finisher R. Cooper was ridden by James Lee, whose record of sweeping the entire six-race card at Churchill Downs on June 5, 1907 still stands. Among his career wins were the 1908 Travers with Dorante and the 1909 California Derby with High Private.

JULIE KRONE - THE ONLY WOMAN JOCKEY TO WIN THE BELMONT

Hall of Famer Julie Krone became the first woman jockey to win a Triple Crown race when she rode Colonial Affair to victory in the 125th running of the Belmont Stakes on June 5, 1993. Krone also was aboard Subordinated Debt (9th, 1991); Colony Light (6th, 1992); Star Standard (2nd, 1995), and South Salem (eased, 1996). In 2012, Rosie Napravnik became the second woman to ride in the Belmont, finishing fifth aboard Five Sixteen. In 2013, Napravnik finished sixth aboard the filly Unlimited Budget and in 2014 was seventh on General a Rod.

BELMONT STAKES

The Grade 1, $2 million Belmont Stakes presented by NYRA Bets is the third and final leg of the Triple Crown, which is comprised of the Grade 1 Kentucky Derby at Churchill Downs and Grade 1 Preakness Stakes at Pimlico Race Course. The inaugural Belmont Stakes was run in 1867 at Jerome Park Racetrack. Predating the Kentucky Derby by nine years and the Preakness by seven, the first Belmont Stakes was named for financier and sportsman August Belmont, I, who helped fund the race.

The 1867 Belmont Stakes was run at 1 5/8 miles; the traditional 1 1/2-mile distance wouldn't be established until 1927. The 2025 running of the Belmont Stakes will be contested at Saratoga Race Course at a distance of 1 1/4-miles.

Sir Barton

THE FIRST TRIPLE CROWN WINNER

1919

When Sir Barton became the first horse to win the Kentucky Derby, Preakness and Belmont Stakes in 1919, he did so before the phrase "Triple Crown" was even invented. Indeed, the chestnut son of Star Shoot wasn't even the most popular horse of his era. The darling of the media that year was a freshman sensation named Man o' War, a winner of nine of his 10 starts at age 2.

A grandson of 1893 English Triple Crown winner Isinglass, Sir Barton was bred by John Madden and Vivian Goach and was foaled in the spring of 1917 at Hamburg Place, birthplace of Kentucky Derby winners Old Rosebud, Zev, Paul Jones, and Flying Ebony. In 1918, as a 2-year-old, Sir Barton raced four times for his breeders, finishing out of the money each time. He was then sold for $10,000 to Canadian businessman John Kenneth Levinson Ross, who had commanded a destroyer for the Royal Canadian Navy during World War I, for which he was awarded the Order of the British Empire for distinguished naval service.

Ross, whose father, James, founded the Canadian Pacific Railway, purchased his first racehorses in 1915, won the Preakness in 1916 with Damrosch, and with H.G. Bedwell as his trainer, developed a powerful stable that led all owners in North America in 1918 and 1919. While Ross dominated the sport with stars such as Billy Kelly, Boniface, Constancy, Milkmaid, Cudgel and Hallucination, it was Sir Barton who brought him the greatest fame.

Plagued with soft feet that often caused him to lose his shoes during a race, Sir Barton was a cranky colt who disliked all humans, with the possible exception of his groom. In two starts for Ross as a 2-year-old, he finished out of the money in the Hopeful behind Eternal, but turned in a strong performance to finish second in the Futurity.

Still a maiden on Derby Day in his first start as a 3-year-old, Sir Barton was supposed to function as a rabbit in the Run for the Roses for his more famous stablemate, Billy Kelly. The plan was for Sir Barton to wear out the favored Eternal, and set the race up for Billy Kelly. However, no one told Sir Barton, and under jockey Johnny Loftus he won by five widening lengths. Just four days later, on May 14, he won the Preakness at Pimlico, and, ten days later, just to keep sharp, took the one-mile Withers at Belmont Park.

Well-rested by the time the Belmont Stakes came around on June 11, Sir Barton had but two opponents in the race, which was then contested at a mile and three-eighths. According to the chart, "Sir Barton, after beating the gate, indulged Natural Bridge with the lead over the Belmont course, then easily took the lead after entering the main course and, drawing away, was easing up at the end."

His time of 2:17 2/5 was an American record.

The next day's edition of the New York Times proclaimed: "SIR BARTON EASILY WINS THE BELMONT: Amazing 3-Year-Old Not Extended, Yet Sets New Track Record for 1 3/8 Miles," and described his victory thusly:

"During the last eighth, Loftus sat still as a statue, holding his mount back as well as he could, but the beautiful chestnut could not be restrained entirely. He was endowed with the spirit of competition and ran straight and true to the end, pulling up without showing the least trace of weariness."

Finishing up his sophomore campaign with a record of eight wins from 13 starts, Sir Barton won both divisional and Horse of the Year honors, and began the following year as the top older horse. But at the same time, Man o' War was achieving near-immortal status, and the public was clamoring for a match race, which finally took place in Canada in the Kenilworth Gold Cup. Sir Barton was no match for "Big Red," losing by five lengths. He never won again, and was retired to stud, first in Virginia, and then in Nebraska.

Eventually purchased by J.R. Hylton, who owned a few racehorses, the old champion lived out his final years on Hylton's farm in Douglas, Wyoming, where he died on Oct. 30, 1937. Originally buried near his paddock, in 1968 Sir Barton was moved to Washington Park in Douglas, where he lies beneath a statue of a horse.

Gallant Fox

THE FOX OF BELAIR

1930

Foaled at Claiborne Farm on March 23, 1927, Gallant Fox was a leggy bay son of the imported sire, Sir Gallahad III, and William Woodward Sr.'s prized mare, Marguerite, also the dam of Belair Stud's 1928 Wood Memorial and Carter winner Fighting Fox and later, 1938 Travers winner Petee-Wrack.

After a spotty 2-year-old campaign that included victories in the Flash Stakes at Saratoga and the Junior Champion Stakes at Aqueduct, Gallant Fox returned at age 3 a far more mature individual, impressive enough to entice Earle Sande, who had lost considerable sum of money in the Wall Street crash of 1929, to come out of a two-year retirement to ride him.

Unlike his predecessor, Sir Barton, Gallant Fox was a gregarious animal who enjoyed the company of both humans and horses. He preferred to work in company, and trainer Sunny Jim Fitzsimmons would send out a veritable team of horses with him in the mornings, relay-style, as no other horse in the barn was fast enough to keep up with him.

In 1930 the Preakness was run before the Derby, on May 9, and Sande's ride was nothing short of brilliant. "Finding a hole here and a gap there," reported the New York Times, "Sande snaked his way through the field and was third at the far turn." Set down for the drive at the top of the stretch, the "Fox of Belair" fought his way to a three-quarter length victory.

Eight days later, Gallant Fox gave Sande his third Derby victory with an easy win over Gallant Knight at Churchill Downs, but the handsome colt was not the favorite in the June 7 Belmont Stakes. That honor went to the previous year's 2-year-old champion, Whichone, who had missed the Preakness and the Derby with knee problems, but had posted an eye-catching win in his return in the Withers.

It was, at this time, that the phrase "Triple Crown" first began to be associated with the Derby, the Preakness and the Belmont.

A column in the New York Times prior to the Belmont opined: "In America, the idea of the Triple Crown being duplicated came when the Preakness, the Kentucky Derby, and the Belmont Stakes reached such prominence as to overshadow all other Spring 3-year-old events in this country. And as in England, to win the Triple Crown in America carries with it the utmost that can be won on our race courses."

Unimpressed by Whichone, Gallant Fox carried Sande to a wire-to-wire, three-length victory over the champion over a track rated "good," replacing Zev as the nation's all-time money earner with the winner's purse of $66,040, and more importantly, cementing the notion of an American Triple Crown comprised of the Derby, the Preakness, and the Belmont.

Gallant Fox would go on to race six more times as a 3-year-old, piling up victories in the Dwyer, Arlington Classic, Lawrence Realization, Saratoga Cup, and the Jockey Club Gold Cup, but his name would also be associated with one of the biggest upsets in horse racing.

Sent off as the 1-2 favorite in the 1930 Travers Stakes over a muddy track at Saratoga Race Course, Gallant Fox would get hooked into a speed duel with Whichone, setting the race up for 100-1 shot Jim Dandy, who went on to a stunning eight-length victory.

Retired at the end of the season, Gallant Fox returned to his birthplace and stood at Claiborne Farm for many years. Among his progeny were 1935 Triple Crown winner Omaha, 1936 Horse of the Year Granville, and 18 other stakes winners. He died on Nov. 13, 1954, and is buried at Claiborne, not far from his sire.

Omaha

LIKE FATHER, LIKE SON

1935

Omaha was one of only 18 foals from the first crop sired by Gallant Fox, and he came very close to filling the shoes of his famous father. Although he was chestnut, not bay, Omaha sported a striking blaze down his handsome face and also inherited his sire's tall, leggy frame and penchant for speed.

And, much like his father, he came off an unremarkable freshman campaign to immediately stamp himself as a 3-year-old to watch with a powerful, four-length victory in an allowance at old Jamaica on April 22. The luster dimmed somewhat when five days later, he finished third in the Wood, and he went postward at Churchill Downs as the second choice to a filly, Nellie Flag, a daughter of Nellie Morse, the filly who won the 1924 Preakness Stakes, and a granddaughter of Man o' War.

Caught in traffic, Nellie Flag would finish fourth as Omaha went onto an easy 1½-length victory over Roman Soldier to win the roses; a week later, he had an even easier time with a six-length romp in the Preakness Stakes, this time as the favorite.

On May 25, trainer Sunny Jim Fitzsimmons entered Omaha in the one-mile Withers at Belmont Park, but the colt could manage only a second-place finish to Rosemont and doubts set in again.

Belmont Stakes Day dawned gray and damp, and after day-long downpours the track was officially sloppy by post time. Four horses lined up against Omaha: Rosemont, Cold Shoulder, Firethorn, and Sir Beverley, and when the gates opened Omaha was shuffled back. But jockey Willie Saunders quickly settled Omaha down, and, waiting patiently, finally sent the colt after Firethorn with three furlongs to go. Firethorn proved tough, fighting on through the stretch but eventually yielding as Omaha became the third Triple Crown winner by a 1½-length margin.

The Blood-Horse reported the scene thusly: "Amid hearty cheering, Saunders brought Omaha back to the winner's circle, the victory being the most popular of the day. There, despite a driving rain, waited Omaha's owner, William Woodward, and the New York banker led in, for the second time in his Turf career, a horse which

had won the Kentucky Derby, Preakness and Belmont Stakes in his colors. The first, in 1930, was Gallant Fox, sire of the present 3-year-old champion, now indisputably at the top of his division. Omaha was the third horse to complete the triple, Sir Barton having accomplished the feat in 1919, and was the first to be sired by a horse which had won the three events."

Despite the achievement, Omaha failed to garner Horse of the Year honors; that award went to Discovery, who would defeat Omaha in the Brooklyn Handicap later in June.

Following victories in the Dwyer and the Arlington Classic, Woodward sent Omaha abroad, where he won the Victor Wild Stakes and the Queen's Plate at Kempton Park, losing the Ascot Gold Cup and the Princess of Wales stakes by a nose and a neck, respectively.

He was returned to the United States to stand at stud at Claiborne, and in 1950, was sent to Grove Porter's farm in Nebraska. He was often taken to Ak-Sar-Ben in Omaha, paraded around the infield, and photographed with several small children on his back.

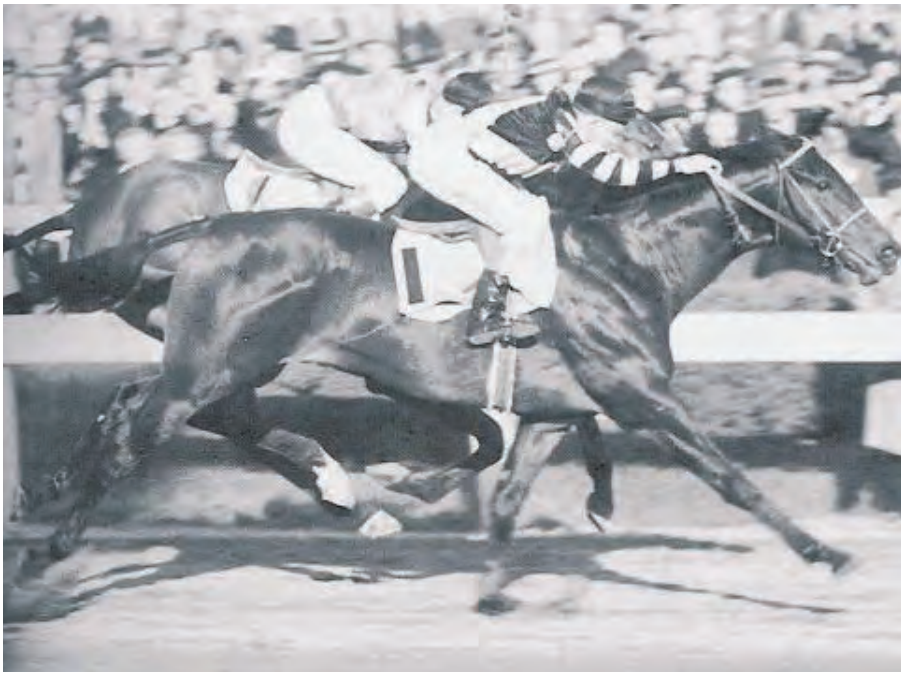
After he died in 1957 at the age of 25, Omaha was buried in Ak-Sar-Ben's "Circle of Champions."

In 1995, when the racetrack closed, the land was taken over by the University of Nebraska-Omaha. His grave, and the Circle of Champions, is now located next to a home economics and culinary arts building. Today, when a cooking project fails, the unfortunate student is told to "Give it to Omaha" – in other words, throw it out the window.

War Admiral

MAN O'WAR'S GREATEST SON

1937



War Admiral was Man o' War's best son even though he looked nothing like his massive, coppery red father. With a sleek, mink-brown coat and a short, choppy stride that was deceivingly efficient, the little colt stood just 15.2 hands tall – a full hand shorter than his sire – and became known to his fans as "The Mighty Atom," or simply "The Admiral."

He was a high-strung individual, according to his exercise rider Tom Harbut, who said he "would jump three times every time you took him out." Owned by Glen Riddle Farm, trained by George Conway and ridden by Charles Kurtsinger, he came off a solid 2-year-old season to win all eight of his starts at 3, becoming the first Triple Crown winner to go unbeaten in his sophomore year.

He began his 3-year-old campaign at Havre de Grace, winning an allowance and the Chesapeake Stakes and earning the favorite's role for the May 8th Kentucky Derby. After War Admiral delayed the start for eight minutes, he cantered home a 1 3/4-length winner over 2-year-old champion Pompoon, and boarded a train for Baltimore that same evening.

Neville Dunn, sports editor for the Lexington Herald, wrote: "A little brown horse that takes after his mammy in size but runs like his daddy charged to victory in the 63rd Kentucky Derby ... and he won so easily ... that 65,000 fans nudged one another in the ribs and said, 'I told you so! I told you that War Admiral could run like Man o' War.'"

The following Saturday in the Preakness, Pompoon proved a much tougher rival, but Samuel Riddle's colt prevailed after a thrilling stretch duel to win the second leg of the Triple Crown by a head.

The Belmont was the easiest race of the series, as he won by three lengths over Sceneshifter, but it came at a price. Acting up at the start, repeatedly crashing through the gate and delaying the race for almost nine minutes, he stumbled at the break, slicing off a piece of his right front heel. He left behind a trail of blood and beaten rivals as he clipped a fifth of a second off his father's track record for a mile and one-half, winning in 2:28 1/5, and cooled out dead lame. Conway said the following day, "I don't see how he can be brought back to the races before fall, and even that is doubtful."

He did return in October, winning an allowance, the Washington Handicap and the Pimlico Special, to earn Horse of the Year honors with an 8-0 record, and the following year won nine of his 11 starts, losing only the Mass 'Cap, in which he was fourth, and the famous match race with Seabiscuit in the 1938 Pimlico Special.

Retired after winning his lone start at age 5, War Admiral became a successful sire; included among his many stakes winners were Busanda and Busher. When he died in 1959, he was buried next to his father underneath the famous Man o' War statue at Faraway Farm near Lexington, Ky.

Whirlaway

THE "RUNNINGEST" HORSE

1941

Eddie Arcaro called him the "runningest" horse he ever sat on. "Not the best, but the runningest," he said.

His own trainer alternated between calling him dumb, stupid, and crazy. "You can teach him," said Ben Jones, "but you can't teach him much."

But to thousands of fans who bet their shirts on him and won, Calumet Farms' Whirlaway was more than the fifth Triple Crown winner.

A brilliant chestnut with an unusually long and thick tail and a penchant for making every race an adventure by running all over the racetrack, in 1941 the crowd-pleasing "Mr. Longtail" often landed above Ted Williams, who batted .406 that year; Joe DiMaggio, who put together a 56-game hitting streak, and Joe Louis, who successfully defended his heavyweight title seven times, on the front pages of the nation's sports sections.

Nearly 70 years after he swept through the Kentucky Derby, Preakness and Belmont Stakes, there are but a few who personally remember "Whirly," but his legend lives on.

"When you watch films of his races, he was so visually impressive, not only in his stride but with that long tail flowing out behind him," said former jockey Richard Migliore. "He was so dominant."

Whirlaway had, wrote Joe Palmer in The Blood-Horse, "an annihilating burst of speed which he can apparently turn on at any stage of a race." But he also was as nervous as a "cat in a room full of rocking chairs," as Jones put it, and had a habit of bolting to the outside coming off the turn. In the 1940 Saratoga Special, he went so wide he actually hit the outer rail, but still managed to win.

By the spring of 1941, eight different jockeys had been aboard the brilliant yet unpredictable colt, and after he lost his final two prep races, bearing out badly in the Blue Grass and the Derby Trial, Jones put a call into Arcaro, who was at the time riding for Greentree.

"But I don't want to ride him," Arcaro said to Mrs. Joan Payson, daughter of the Greentree owner, who in no uncertain terms told the jockey he would be aboard the willful colt, as she owed Mrs. Warren Wright of Calumet Farm a favor.

The day before the race, Jones came up with a plan to cure Whirlaway of his habit of heading straight to the outer rail. He positioned himself on his pony about six feet off the rail at the head of the Churchill Downs homestretch, intending for Whirlaway to turn the corner and charge between the fence and Jones' pony.

"I said to myself, 'If the old man is game enough to stand right there, I guess I'm game enough to run him down,'" Arcaro said in his autobiography, "I Ride to Win."

The strategy worked, and, equipped with a one-eyed blinker that Jones fashioned with his pocketknife, Whirlaway won the Derby in a then-record 2:01 2/5 with "speed to spare." A week later, after falling so far behind the field he was out of the picture, he roared back to a thrilling 5 ½-length win in the Preakness. In the Belmont Stakes, knowing he couldn't hold Whirlaway back after the half went in :49 2/5, Arcaro sent him to the front with a mile to go and he took the Triple Crown by 1 ¼ lengths.

"He was so good he made ducks and drakes of his opposition," wrote Bryan Field in the New York Times.

Whirlaway's lone appearance at Aqueduct at 3 came but two weeks later, when he won the Dwyer, which was called "a thrilling race, but an expected thrill." That summer, he won the Travers – the only Triple Crown winner to do so – and then spent his 4-year-old season running primarily for war bonds, racing 22 times and raising $5 million, including $100,000 at Aqueduct on Army-Navy Day on June 27, when he won the 1942 Brooklyn Handicap.

Retired after two starts at age 5, with a record of 32 wins, 15 seconds and nine thirds from 60 starts and a bankroll of $561,161 which made him the all-time money-earning thoroughbred, Whirlaway became a successful sire, and died in 1953 in Normandy, France.

He was inducted into racing's Hall of Fame in 1959.

Count Fleet

AMERICA'S WARTIME TRIPLE CROWN HERO

1943

On June 1, 1942, when the world was locked in the deadliest conflict in human history, a 2-year-old brown son of 1928 Kentucky Derby winner Reigh Count stepped onto the main track at Belmont Park.

The colt, an ornery youngster, was named Count Fleet, and it was only happenstance that he was continuing to carry the colors of his breeder and owner, Fannie Hertz, wife of John D. Hertz. Unhappy with the colt's bad manners, Hertz, a former sports writer turned automobile salesman and the founder of both the Yellow Cab Company and the rental car company that bore his name, had tried unsuccessfully to sell him, but found no takers.

That spring morning at Belmont, sent off at 4-1 under Johnny Longden, Count Fleet swerved at the start, bumped into a horse named Vacuum Cleaner, and finished second. He did virtually the same thing two weeks later at Aqueduct, which did little to further endear him to his owner or his trainer, Don Cameron.

Ironically, it was Longden who stopped Hertz from selling the colt outright.

"The colt is dangerous," Hertz told the jockey. "Someday I am afraid he will do you serious injury."

"Whatever you do, don't sell him," replied Longden. "I'm not afraid of him. I'll ride him."

"Then, I'll take him off the market," said Hertz.

Count Fleet won his third start and six of his next seven, but then finished a disappointing third in the Belmont Futurity. Longden then figured out how the colt needed to be ridden.

"You had to let him go to the front and sit there," Longden told Lexington, Ky.-based writer Billy Reed in an interview. "I didn't have to rate him, he'd rate himself. After I let him go to the front he never got beat."

By the end of 1942, Hertz was glad he had not parted with the lean brown colt, who won 10 of his 15 starts as a 2-year-old, including a record-setting victory in the Champagne and a 30-length romp in the Walden Stakes at Pimlico en route to championship honors. More tellingly, he was assigned a record 132 pounds in the Experimental Free Handicap and was already being hailed as the successor to Man o' War.

His 3-year-old campaign, which began with a 3½-length victory in an allowance at Jamaica, would be as brief as it was memorable. He brushed aside seven rivals in the Wood Memorial, again winning by 3½ lengths, and by the time he arrived in Louisville via train he was the 2-5 choice over nine in the wartime "Streetcar Derby," so called because of wartime restrictions on gas and oil.

Unbeknownst to his fans, however, was that Count Fleet had sustained a deep gash in his leg in the Wood, which was successfully treated on the day-and-a-half railroad trip from New York.

When the gates sprang open, it was a fully healed Count Fleet on top, and he went wire-to-wire for a three-length victory over Blue Swords. A week later, in Baltimore, it was the same story, only the Preakness margin was eight lengths. As a prep for the Belmont, Cameron sent Count Fleet out for a tune-up in the Withers Stakes, in which he sailed home a five-length winner.

On June 5, in the Belmont Stakes, only two dared line up against "The Count" – Fairy Manhurst and Deseronto – but it could have been a dozen, so dominant was he in galloping home 25 lengths in front, a record which stood until Secretariat's 31-length victory thirty years later.

But it came at a price. That evening, it was discovered that Count Fleet had bowed a tendon. He never raced again but there was no question he would be named Horse of the Year.

"His achievements were so dazzling, his record so splendid, that not only does he stand out – he throws into the shade all other Thoroughbreds of 1943, without regard to age, sex, or other qualifications," wrote historian John Hervey.

Retired in the fall, Count Fleet went onto a successful career as a sire. Among his progeny were 1951 Horse of the Year Counterpoint and 1951 Kentucky Derby winner Count Turf, which completed the first "triple sire" in Derby history as the grandson and son of Derby winners.

Count Fleet died at age 33 at Stoner Stud, near Paris, Ky. and was buried in the central place of honor in its cemetery.

Assault

"THE CLUB-FOOTED COMET"

1946

He was born during World War II on a sprawling Texas ranch best known for cattle and quarter horses. When he was young, he stepped on something sharp, purportedly a surveyor's stake, which went right through his right front foot and left him with a permanent limp at a walk or trot. Factor in an unprepossessing frame – he was barely 15.2 hands tall and weighed less than 1,000 pounds – and he would hardly seem a candidate for thoroughbred racing's most prized and elusive crown.

At a full gallop, however, Assault was flawless, and his sweep of the Kentucky Derby, Preakness and Belmont Stakes in 1946 epitomized the will to win of a true champion.

"He beat whatever they threw at him," said his jockey, Warren Mehrtens. "Assault was all heart."

King Ranch had acquired its first thoroughbred, Chicaro, in 1936 with the express purpose of improving the outfit's quarter horse line. Three years later, Kentucky Derby and Preakness winner Bold Venture was added to the breeding program and in 1942, he was bred to a King Ranch mare named Igual, a daughter of Equipoise.

The result was a rather delicate-looking liver chestnut who would suffer from kidney and bleeding difficulties throughout his racing career, not to mention the misshapen hoof that led to his nickname, "The Club-Footed Comet."

"When he walks or trots, you'd think he was going to fall down," said Assault's Hall of Fame trainer, Max Hirsch. "I think that when the foot still hurt him, he got in the habit of protecting it, with an awkward gait, and then he kept it up. But he galloped true. There wasn't a thing wrong with his action when he went fast."

Assault broke his maiden in July at Aqueduct in his fourth start, finished a distant fifth in the East View Stakes six days later and then gained attention on August 6, 1945 – the day the United States dropped the atomic bomb on Hiroshima – when he won the Flash Stakes at Belmont Park at odds of 70-1, his only other victory of the year.

Troubled as well by splints, a bad ankle and a problematic knee, Assault's delayed 3-year-old campaign kicked off with a victory in the Experimental Handicap at Jamaica on April 9 followed by a 4½-length win in the Wood Memorial less than two weeks later.

Four days after finishing fourth in the mud in the Kentucky Derby Trial, Assault destroyed 16 rivals in the Run for the Roses, pulling clear to an eight-length win at odds of more than 8-1.

Sent off as the favorite in the Preakness – the only Triple Crown race in which he would be favored – Assault held a four-length advantage at the top of the stretch but barely managed to hold on to a desperate neck victory over Lord Boswell.

It was Lord Boswell, then, who would be favored in the June 1 Belmont Stakes, but when the field of seven turned for home, he would remain where he had spent much of the race – at the back of the pack.

Meanwhile, Assault, according to the chart, "stumbled at the start but recovered quickly, was sent up on the inside, was steadied along the far turn, where he began to improve his position, came to the outside for the stretch run, swerved slightly, disposed of the leaders and drew away."

His three-length victory over Natchez gave racing its seventh Triple Crown winner, but Assault would go on to write another chapter in his legend that fall.

In eight meetings with the great Stymie over the next two years, Assault would win five, including a magnificent last-to-first victory in the 1947 Butler Handicap at Jamaica under Eddie Arcaro.

Assault was finally retired in 1950 with 18 victories from 42 races and a bankroll of $675,470, and his physical problems continued into his retirement. He was unable to produce any thoroughbred offspring, but several quarter-horse mares he was pastured with reportedly became pregnant.

He died on Sept. 1, 1971, at age 28, and is buried at King Ranch.

Of Assault, Hirsch said simply: "I never trained a better horse."

Citation

BIG CY OF CALUMET FARM

1948

Seven years after Whirlaway carried the devil's red-and-blue silks of Calumet through a sweep of the Kentucky Derby, Preakness and Belmont Stakes, a leggy bay 3-year-old colt bearing the same colors strode onto the track at Havre de Grace for the $29,000 Chesapeake Stakes.

Five days earlier, Citation had suffered only the second loss of his career, finishing second in the Chesapeake Trial under new jockey Eddie Arcaro, a replacement for Albert Snider, who had drowned in March on a fishing trip in the Everglades.

The Chesapeake, at 1 1/16th miles, is notable for two reasons: first, it would serve as Citation's penultimate prep for the Kentucky Derby in two weeks time. Secondly, it marked the beginning of a 16-race winning streak that encompassed that year's Triple Crown, lasted until 1950, and stamped Citation as arguably the greatest racehorse that ever lived.

"Citation was the best horse I ever saw," his trainer, Jimmy Jones, told Joe Durso of the New York Times in a 1996 interview. "And I saw Man o' War."

The 1948 Kentucky Derby was run over a sloppy track – more than an inch of rain had fallen, conditions which favored Citation's classy stablemate Coaltown, winner of the Blue Grass Stakes. As Ben Jones gave Arcaro a leg up, the jockey is alleged to have said, "Are you sure I'm on the right one?" To which Jones reportedly snapped "You're on the right one."

In the early going, Coaltown comfortably loped along on the lead while Citation trailed by as many as six lengths. On the backside, Arcaro began to fret. "I said to myself, 'Suppose Citation doesn't pick Coaltown up when I call on him?'," he wrote in his autobiography, "I Ride to Win."

But when he called, Citation answered in a big way. Charging past his stablemate, Big Cy went on to an easy 3 ½-length score. Two weeks later he galloped off to a 5 ½-length victory over Vulcan Forge in the Preakness, and tuned up for the Belmont Stakes with an 11-length win in the Jersey Derby on May 29.

Citation had made but one previous appearance at Belmont Park, winning the Futurity Trial as a 2-year-old, one of just three career races in which he was not the favorite. On Belmont Stakes Day, June 12, he was sent off as the 2-5 favorite over seven rivals, but he ran more like a 1-20 shot.

He stumbled at the start, but quickly recovered and bounded into the lead, running easily through fractions of :24, :48 2/5 and 1:12 3/5 with his nearest competitors a length or so behind. Then, on the far turn, Citation began to make his move.

"I could not see Arcaro move," wrote Joe Palmer in the June 18, 1948 edition of the Blood-Horse. "But with some slight dropping of the hands, he released the swelling energy of the great racer beneath him. Citation opened away. He was three-sixteenths away but he was home. The Belmont crowd began to roar, before he hit the furlong-pole. This observer dropped his glasses, climbed over assorted cameramen, and went downstairs to get into the champagne."

Five lengths in front at the top of the stretch, Citation hit the wire eight lengths in front of Better Self, tying Count Fleet's stakes record of 2:28 1/5.

Before 1948 was over, Citation would win 19 of 20 starts, 17 of them stakes, in what many believe was the greatest season ever by a racehorse.

Although hampered by arthritis, which cause him to miss all of 1949, he returned to the races the following year, winning an allowance at Santa Anita before his win streak came to an end on January 16, 1950 in a handicap race.

He was retired in the summer of 1951 after having become racing's first millionaire, with a record of 32-10-3 from 45 starts and a bankroll of $1,085,760. Inducted into racing's Hall of Fame in 1959, Citation died on Aug. 8, 1970 at the age of 25 and is buried at Calumet Farm.

"I've tried to fault him, but I just can't find any holes," said Ben Jones. "He's the best. Maybe we'll never see his likes again in our time. He was the best horse I ever saw. Probably the best horse anybody ever saw, I expect."

Secretariat

BIG RED

1973

There were Triple Crown winners before him, and Triple Crown winners after him, but nobody swept through the Kentucky Derby, Preakness, and Belmont Stakes with the same drama, style and flair as Secretariat.

He won 16 of 21 races, graced the covers of several national magazines, was twice Horse of the Year, but it is the Belmont for which Secretariat is best remembered.

On June 9, 1973, "Big Red" went postward as the 1-10 favorite to become the ninth Triple Crown winner, and the first in 25 years. Challenging him were Sham, who had finished second in both the Derby and the Preakness, and three other mismatched thoroughbreds.

When the gates opened, Secretariat and Sham raced together around the first turn through a half-mile in a suicidal :46 1/5. On the backstretch, with jockey Ron Turcotte sitting still as a stone, the colt gathered momentum with every stride. He ran three-quarters in 1:09 4/5, the mile in 1:34 1/5, and when he hit the quarter-pole in 1:59, faster even than he had won the Derby, the crowd was on its feet, screaming in anticipation.

"Secretariat is alone. He is moving like a tremendous machine!" track announcer Chic Anderson yelled. "He's going to be the Triple Crown winner. Unbelievable! An amazing performance. He's 25 lengths in front!"

Prompted only by history and racing only against the clock, Secretariat was completely alone as he swept across the finish line an astounding 31 lengths in front of Twice a Prince in a world-record 2:24 for the 1 1/2 miles.

As Charles Hatton wrote in The Daily Racing Form, "His only point of reference is himself."

Secretariat was born March 30, 1970, at Meadow Farm in Virginia, a strikingly handsome chestnut son of Bold Ruler with three white stockings, a white star, and stripe. Viewing him as a yearling, trainer Lucien Laurin commented he was probably "too good-looking" to amount to much as a racehorse. Upon his arrival at Hialeah Park as a 2-year-old, all his owner, Penny Chenery, could say was "Wow."

He began his career at Aqueduct, finishing fourth, and then embarked on a campaign that would carry him to Horse of the Year honors, a rarity for 2-year-olds.

"Big Red's" 3-year-old campaign started off as more of the same: He swept through the Bay Shore and Gotham Stakes, but then the unthinkable happened: He lost, finishing third in the Wood Memorial to Angle Light. Immediately, questions were raised about his ability, as a son of Bold Ruler, to go a mile and a quarter, but when the first Saturday in May rolled around, he was the 3-2 choice to win the Run for the Roses – the last time in his career he would go off at more than even money.

By the time he arrived back in New York for the Belmont with Derby and Preakness victories in tow, the entire country was anticipating the end of the quarter-century Triple Crown drought. In the New York Post, columnist Larry Merchant warned that "the country may turn sullen and mutinous" should he lose the "Test of the Champion."

When Secretariat won the Belmont, he did more than become the first horse since Citation to win the Triple Crown. He turned in the single greatest performance in the history of horse racing.

After the Belmont, Secretariat raced nine more times, winning six, coming in second twice and third once. His major losses were to Onion in the Whitney and to Prove Out in the Woodward; both were trained by Allen Jerkens.

Inducted into racing's Hall of Fame in 1974, Secretariat was also ranked 35th on ESPN's 100 Greatest Athletes of the Twentieth Century, one of only three nonhumans on the list.

Suffering from laminitis, he was euthanized in October, 1989, and is buried at Claiborne Farm in Paris, Ky.

Wrote Charles Hatton at the end of Secretariat's 1973 campaign:

"Weave for the mighty chestnut
A tributary crown
Of autumn flowers, the brightest then
When autumn leaves are brown
Hang up his bridle on the wall,
His saddle on the tree,
Till time shall bring some racing king
Worthy to wear as he!"

Seattle Slew

AN UNDEFEATED RUN

1977

At birth, no one expected Seattle Slew to do much of anything.

Foaled in 1974 in Kentucky, the son of Bold Reasoning out of My Charmer was first described by White Horse Acres breeding manager Paul Mallory as "ugly."

A plain dark bay – nearly black – colt, Seattle Slew had no white markings, big floppy ears, and a domineering personality, even as a youngster.

The colt was not accepted to the prestigious 1975 Keeneland summer yearling sale based on pedigree and appearance. Instead, he went to the Fasig-Tipton Lexington auction.

Slew was sold to Pearson's Barn for $17,500. The owners, two young couples from Washington State – Mickey and Karen Taylor and Jim and Sally Hill – had chosen the colt for a reason.

A veterinarian who had done work on Bold Reasoning, Jim Hill was intrigued by his first crop yearlings and thought this particular colt was the best of the lot.

"When I first saw him I said he was a runner or my name was not Jim Hill," Hill told The Blood-Horse. "I thought he had everything it took from a physical standpoint, to be a racehorse. I certainly didn't foresee he would be a champion, but I did feel he would be a runner."

The owners dubbed the horse Seattle Slew – Seattle for the city Karen and Mickey Taylor called home, Slew for the muddy, swampy character of property Jim Hill owned in Florida.

Around the barn, trainer Bill Turner called him "Baby Huey," after the ungainly cartoon character.

From the moment he set foot on a racetrack though, Slew proved Jim Hill's instincts had been sound. The colt began his racing career at Belmont with an easy five-length victory in a six-furlong maiden race on September 20, 1976. He raced twice more as a 2-year-old, closing out the year with a gate-to-wire win in the Grade 1 Champagne Stakes at Belmont Park.

Slew did not race again until early March of 1977, but made an effortless comeback winning a seven-furlong allowance race by nine lengths. After two easy Grade 1 scores in the Flamingo and the Wood Memorial, the colt headed to Churchill Downs.

Unlike some of his previous starts, the Derby proved more of a challenge, but one Slew met readily. Caught in traffic after a troubled start, the colt scrapped his way to the front and emerged a 1 3/4 length winner.

The Preakness was easier – Slew won by a length and a half after drawing far enough away from the rest of the field that French-born jockey Jean Cruguet felt comfortable easing him in the stretch.

Neither of these performances compared to Slew's win in the Belmont. Breaking from post 5 over a muddy track, the colt took an authoritative lead from the start and, though momentarily pressured by Sanhedrin near the quarter pole, maintained the lead to the finish, winning by four lengths. Cruguet was so confident in the stretch that he stood up in the irons and waved his whip to the crowd even before the wire.

"He went away," Cruguet said after the race. "He had plenty left. He had relaxed and rated beautifully down the backstretch. In the stretch I looked to make sure and he was just going so beautifully and nobody was going to catch him this day."

In winning the Belmont, Slew became the 10th Triple Crown winner and the first undefeated horse to do so.

After running fourth in his next start, the Grade 1 Swaps the following month, Slew developed a rare virus and nearly died. He returned to racing in May 1978 to win an allowance race for new trainer Doug Peterson and raced well overall as a 4-year-old. Two months before he was retired, Seattle Slew defeated the heir to the Triple Crown, Affirmed, in the Grade 1 Marlboro Cup at Belmont Park.

After a very successful stud career – Seattle Slew sired more than 100 stakes winners including A.P. Indy, Swale, and Slew o' Gold – he died on the 25th anniversary of his victory in the Kentucky Derby, May 7, 2002.

Affirmed

THE GREATEST RIVALRY

1978

Given that he was only the 11th Triple Crown winner in history, one might think that Affirmed's name could stand alone.

But, since their epic rivalry captured America's attention beginning as 2-year-olds in 1977, Affirmed has always been associated with Alydar.

Affirmed, a striking chestnut colt by Exclusive Native (Raise a Native) out of Won't Tell You, won his first meeting with Alydar in the Youthful Stakes at Belmont in June 1977, almost exactly a year before their historic showdown in the 1978 Belmont Stakes. Alydar finished fifth in the Youthful, revealing little of the competition to come.

In their next race, Alydar finished a solid 3 ½ lengths ahead of Affirmed in the Great American Stakes at Belmont, and the rivalry began to take shape. The pair met four more times during their 2-year-old seasons, and Affirmed bested Alydar in three of those contests, though they always finished one-two.

After taking different paths to the Derby, the two horses met again on the first Saturday in May. Again, Affirmed defeated Alydar, by 1 ½ lengths, with 18-year-old Steve Cauthen in the irons. In the Preakness, Affirmed won again, this time only by a neck. By the time the pair met in the Belmont in June 1978, no one could talk about anything else.

"It's only been two horses so far," Affirmed's trainer, Laz Barrera, told The New York Times the week before the Belmont. "All the time, since last year, it's only two horses. Affirmed and Alydar. Nothing has changed."

The morning of the Belmont, Barrera was confident his colt would emerge victorious. But Alydar's connections were determined not to allow that scenario to play out again.

Affirmed drew post position 3 for the Belmont, Alydar post 2. Cauthen's instructions were to send Affirmed up from the start and position him inside, and all went as planned. A quarter-mile into the race, Affirmed was loping along comfortably in front with Alydar back in third. The early pace was slow and Alydar's veteran rider, Jorge Velasquez, went after Affirmed, bringing Alydar right alongside of him at the mile marker.

While the crowd had expected a duel, what they got was one of the greatest showdowns in racing history. The two horses matched strides from the mile pole to the top of the stretch – while Affirmed held on to a narrow advantage, Alydar kept coming, relentlessly pursuing his rival.

Because the horses were so close, Cauthen had to switch his whip from his right hand to his left and hit Affirmed on the left side. Many believe the switch may have given the colt the final encouragement he needed and Affirmed crossed the wire with a head in front of his rival.

In winning the Triple Crown, Affirmed set several records – it was the first time the Triple Crown had been won in consecutive years (Seattle Slew won it in 1977). The final time of 2:26 4/5 made it the third-fastest Belmont in history, despite the slow early going. When he started in the Belmont, Affirmed had won all six of his 3-year-old starts so far – his only losses in 15 career outings to that point came as a 2-year-old when he ran second to Alydar.

After the Belmont, the rivalry did not die. Both Affirmed and Alydar independently won stakes at the 1978 Saratoga meet, then met again in the Travers. Though Affirmed finished first, he drifted in front of Alydar entering the far turn, causing Velasquez to take Alydar up abruptly. After an inquiry, Affirmed was taken down and Alydar placed first.

Affirmed was named Horse of the Year in 1978, and after a slow start to his 4-year-old campaign, finished by winning seven of nine starts and ending his career with a win in the 1979 Jockey Club Gold Cup, the race that had eluded him a year before.

After a respectable stud career – though rival Alydar is widely considered to have sired more successful offspring – Affirmed was euthanized in 2001, at 26.

American Pharoah

THE PEOPLE'S HORSE

2015

On Groundhog Day, 2012, a bay colt was born at Tom VanMeter's Stockplace Farm in Lexington, Kentucky, the product of Ahmed Zayat's mating between his 2009 Kentucky Derby runner-up Pioneer of the Nile and his Yankee Gentleman mare, Littleprincessemma, whom he had purchased in 2007 for $250,000. Although the colt was originally consigned for sale, Zayat bought him back for the posted minimum of $300,000 and said he wouldn't sell him for less than $1 million.

"We felt," he later said, "he had brilliance in him."

If so, the colt - now saddled with the misspelled name American Pharoah - didn't display it in his first start for Hall of Fame trainer Bob Baffert. Equipped with a blinker hood for a 6 ½-furlong maiden race at Del Mar on August 9, 2014, American Pharoah challenged briefly for the lead but faded to fifth.

Baffert's response was to remove the hood, stuff American Pharoah's ears with cotton and school him "a lot." The result? The 2-Year-Old Male Championship and the start of a more-than-year long win streak.

In the 5 ½ months between his final start of 2014 and his 3-year-old debut, American Pharoah's strapping stablemate, Dortmund, began grabbing headlines himself. But American Pharoah's victorious return in the Rebel at Oaklawn Park on March 14, however, evidenced a bigger, stronger and more mature horse, underscored four weeks later by his eight-length win in the Arkansas Derby.

In the Kentucky Derby, despite being agitated by the crowd before the race and in the gate, American Pharoah came charging off the turn after racing in third and took command in mid-stretch, pulling clear to a hard-fought one-length victory over Firing Line.

Two weeks later in Baltimore, a totally different scenario greeted American Pharoah. Moments before the gates opened for the Preakness, there was a downpour of what Baffert called "biblical proportions," accompanied by thunder and lightning. Neither the weather nor the unfavorable No. 1 post position seemed to bother American Pharoah as he got the lead after a quarter-mile and romped to a seven-length victory.

Team American Pharoah arrived in New York on the afternoon of June 2. After a jog around Belmont's 1 ½-mile oval on Wednesday and two easy gallops on Thursday and Friday, American Pharoah strolled over to the paddock late Saturday afternoon, where he was greeted by an enthusiastic sellout crowd of 90,000 which sent him off as the 3-4 favorite.

They were not disappointed. Taking an early lead, American Pharoah became racing's 12th Triple Cown winner, rolling to a visually impressive 5 ½-length victory that was recorded on thousands of smart phone videos and left many fans in tears of joy. His closing quarter-mile was 24.32 seconds, which was more than a half-second faster than 1973 Triple Crown winner Secretariat's final quarter-mile time of 25.00.

American Pharoah would race three more times before being retired to stud, stretching his winning streak to eight with a romp in the Haskell Invitational at Monmouth Park and then traveling to Saratoga Race Course for the Travers.

More than 15,000 people showed up at the Spa on Friday morning, August 28, to get a glimpse of "the People's Horse" as he went for a routine morning gallop, and a sold-out crowd of 50,000 was on hand the following day, only to see Saratoga live up to its reputation as the "Graveyard of Champions" with his loss to Keen Ice.

His final performance was exactly that - a performance worthy of a true champion. Facing his elders for the first time in the $5 million Breeders' Cup Classic at Keeneland, American Pharoah made every pole a winning one as he romped to a 6 ½-length victory, the first horse to become a "Grand Slam" champion in the sport's history.

"This horse, he was so special," Baffert said the day the colt was brought to his new home at Ashford Stud. "We didn't have to make an excuse for him, he just showed up and he was way the best. He's just a magical horse for me. He's the one horse that trainers dream of having one day in their lives."

Justify

BRIEF AND BRILLIANT

2018

His career was as brief as it was flawless. In less than four months, Justify went from an unknown – well, as unknown as any of Hall of Fame trainer Bob Baffert's 3-year-olds can be – maiden to an undefeated Triple Crown winner.

It took six starts for Justify to etch his name alongside those of Sir Barton, Gallant Fox, Omaha, War Admiral, Whirlaway, Count Fleet, Assault, Citation, Secretariat, Seattle Slew and Affirmed, as well as his immediate predecessor, American Pharoah, who barreled through the Kentucky Derby, Preakness and Belmont Stakes in 2015, also under the tutelage of Baffert.

Justify, a son of Scat Daddy was the first colt to have swept the series while unraced at age two, and the second, along with Seattle Slew, to have done so whilst undefeated.

Baffert, who also brought three other colts to the brink of the Triple Crown in 1997 (Silver Charm), 1998 (Real Quiet) and 2002 (War Emblem), said he knew early on that Justify was equally capable of scaling those heights. Never one to push a horse – witness Arrogate, who won the 2016 Travers, the Breeders' Cup Classic, the Pegasus World Cup and the Dubai World Cup along with $17 million, and didn't make his first start until April 17 of his 3-year-old season, and 2017's 3-year-old champ, West Coast, who didn't start until February 18 of that year—Baffert had big plans for Justify from the start.

"He's just a superior animal," said Baffert. "He's been brilliant since Day 1."

Day 1 was February 18, 2018, at Santa Anita Park. Justify's reputation as a brilliant late-bloomer preceded him; sent off at 1-2, the muscular chestnut took the lead soon after the start and pulled clear to a resounding 9 ½-length victory. He covered the seven furlongs in 1:21.86 under Drayden Van Dyke, and earned back $32,400 of the $500,000 the China Horse Club and Maverick Racing paid for him at the 2016 Keeneland September Yearling Sale.

A few weeks later, Justify flashed his versatility with a 6 ½-length romp going a mile over a muddy, sealed track, this time with Hall of Fame jockey Mike Smith in the irons. In his third start, he rolled to a three-length win in the Santa Anita Derby over Bolt d'Oro, who as a juvenile won the Grade 1 Del Mar Futurity and the Grade 1 FrontRunner Stakes and was coming in off a victory by disqualification in the Grade 2 San Felipe.

"What you're seeing right now is really just raw talent," Smith said afterward. "He's got so much room to grow and get even better, believe it or not. If he moves forward off this race, which he should, then it's even kind of scary to think about."

Next up: the Kentucky Derby. In a driving rainstorm that made the 1 ¼-mile even more unpredictable, Justify fobbed off Good Magic to win by 2 ½ lengths, becoming the first horse since Apollo in 1882 to have taken the Run for the Roses without having raced as a juvenile.

The weather gods were at work again two weeks later in Baltimore. On a murky, foggy afternoon, Justify had to run the hardest race of his brief career in the Preakness. Challenged early by Derby runner-up Good Magic, Justify had just a neck in front as the pair disappeared into a thick white fog on the far turn. Saddlecloth-to-saddlecloth, the two remained on even terms until the eighth pole, when Justify began to pull away, with enough left to fend off the late charges from Bravazo and Tenfold by a half-length.
"Someone had to give, and I'm glad it wasn't us," said Baffert.

After a respite at Churchill Downs, Justify headed to New York with the distinction of being the 36th horse to have won the Kentucky Derby and Preakness Stakes. Three of them did not run in the Belmont Stakes, and another 20 faltered in the longest leg of the series at 1 ½ miles, once around Belmont Park's huge oval., leaving an even dozen to have captured racing's most prestigious and elusive prize.

In yet another twist, Justify would not be carrying the white-and-green colors of WinStar Farm he had worn in the Derby and Preakness, but the red-and-gold silks of China Horse Club, which owned the handsome colt in partnership with WinStar, Head of Plains Partners, and Starlight Racing.

On a warm and cloudy day at Belmont Park, Justify calmly stepped into the starting gate for his third race in five weeks over three different tracks and broke every superstition, curse and tradition there was.

Smith, who said afterward he was a bit unnerved at just how calm Justify was standing in the starting gate, needn't have worried. Breaking "like he was going 440 yards at Ruidoso," Justify swiftly settled into his smooth, ground-gobbling stride and led every step of the way in the 150th edition of the Belmont, hitting the wire 1 ¾ lengths in front of Gronkowski and becoming racing's 13th Triple Crown winner.

Smith, who at age 52 became the oldest jockey to win the Triple Crown, was well aware of the moment. After bringing Justify back around, he let the colt trot up the stretch and past the furlong marker for a victory lap so the 90,000-plus fans could revel in his achievement. It was the last time he would race – soon after, his retirement was announced and he left the racing scene with a 6-for-6 record and a lifetime of memories.

"It's a privilege to have a horse like this," said Baffert, who joined Sunny Jim Fitzsimmons as the only trainers to have won more than one Triple Crown. "I just wanted to see his name up there, with those greats, winning the Triple Crown."

FASTEST FRACTIONAL AND FINAL TIMES

Since 1901, few horses that have set the fastest early fractions have won the Travers. Holy Bull, who ran the second-fastest quarter ever (:22 4/5), went on to win the 1994 Travers. Natchez, who ran the third-fastest quarter ever (:23) won in 1946, as did Willow Hour in 1981, who also ran the quarter in :23.

Horses who set the fastest half-mile times all faded in the Travers, but three that were among those that ran the fastest six-furlong fractions won. In 1920, Travers winner Man o' War ran the three-quarters in 1:10 (tied as the third-fastest ever). In 1976, Honest Pleasure set a six-furlong time of 1:10 2/5, ran the mile in 1:35 (tied with Frosted as the fastest Travers mile) and won in a then-record 2:00 1/5. In 1994, Holy Bull also ran the first six furlongs in 1:10 2/5 before winning the 125th edition of the Midsummer Derby in 2:02.

In 2016, Arrogate broke General Assembly's record by more than 3/5 of a second with a final time of 1:59.36. General Assembly's 1979 time of 2:00 stood as the record for 37 years, having broken Honest Pleasure's 2:00 1/5 time in 1976 to give LeRoy Jolley the distinction of training two of the fastest Travers winners.

FILLIES THAT HAVE WON THE TRAVERS

(1865) MAIDEN: In this second running of the race, four of the seven contenders were fillies, and comprised the top three finishers. Oleata and Sarah K. finished second and third, respectively, and Gilda, the fourth filly in the race, finished fifth. Each carried 97 pounds.
(1867) RUTHLESS: Francis Morris' bay filly, who also won the 1867 Belmont Stakes, won the fourth running of the Travers, carrying 100 1/2 pounds to victory.
(1868) THE BANSHEE: John Clay's filly set a stakes record of 3:10 3/4 under 97 pounds, topping a field of eight which included five fillies.
(1876) SULTANA: Sultana gave August Belmont his second Travers winner. Belmont won with Glenelg in 1869.
(1895) LIZA: The fifth filly to win the Travers did so the first of four years that it was run at nine furlongs.
(1903) ADA NAY: Earned the largest winner's share - $8,150 - of any of the fillies to win the Travers.
(1915) LADY ROTHA: The last filly to win the Travers did so through the disqualification of Trial By Jury. The win gave owner Andrew Miller back-to-back victories, having won in 1914 with Roamer.

MODERN-DAY FILLIES

Although no filly has won the Travers since 1915, the modern-day fillies that have competed in the race have been some of the best. Each, in fact, was voted champion 3-year-old filly. In 1962, Ridan and Jaipur ran head and head from the gate, with Jaipur winning by a nose. The filly Cicada finished last, but the defeat in the classic did not stop her from being voted champion filly of that year.

In 1974, after finishing a neck behind Quaze Quilt in the 1 1/4-mile Alabama, Chris Evert went after the males in the Travers at the same distance in the slop, finishing third behind Holding Pattern and Little Current.

In 1979, Calumet Farm's Davona Dale came out of her second-place finish in the Alabama finish fourth as the betting favorite..

In 2018, Wonder Gadot tested the boys in the Travers, finishing last in the field of 10 at odds of 11-1.

In 2024, Thorpedo Anna was defeated a head at odds of 3-1 by Champion 2-Year-Old Colt Fierceness.

GELDINGS

Five geldings have won the Travers: Carley B. (1882), Roamer (1914), Loud (1970), Holding Pattern (1974) and Unshaded (2000).

LEXINGTON SIRED NINE WINNERS

Lexington sired the first three Travers winners, and nine out of the first fifteen. His winners were Kentucky (1864), Maiden (1865), Merrill (1866), The Banshee (1868), Kingfisher (1870), Harry Bassett (1871), Tom Bowling (1873), Sultana (1876) and Duke of Magenta (1878). Australian sired three Travers winners in the 1870s. There have been 10 stallions which sired two Travers winners: Billet, King Alfonso, Enquirer, Virgil, Fair Play, Petee-Wrack, Man o' War, Tom Fool, Mr. Prospector and Bernardini.

TRAVERS WINNERS AS SIRES OF TRAVERS WINNERS

There have been 16 stallions that have not only won the Mid-Summer Derby, but have also sired a winner of the same race. The immortal Man o' War, first in the 1920 Travers, sired two winners - Mars (1926) and War Hero (1932). Bernardini, who won in 2006, sired Stay Thirsty (2011) and Alpha (2012-DH).

The others are: Sir Dixon (1888) and Blues (1901); Broomstick (1904) and Beacon Hill (1929); Sun Briar (1918) and Sun Flag (1924); Eight Thirty (1939) and Lights Up (1950); Sword Dancer (1959) and Damascus (1967); Tompion (1960) and Chompion (1968); Key to the Mint (1972) and Java Gold (1987); Forty Niner (1988) and Coronado's Quest (1998); Thunder Gulch (1995) and Point Given (2001); Deputy Commander (1997) and Ten Most Wanted (2003); Birdstone (2004) and Summer Bird (2009): Arrogate (2016) and Arcangelo (2023)

In 1996, Will's Way became the only third-generation Travers winner, following in the footsteps of his sire, Easy Goer (1989) and grandsire, Alydar (1978).

DISQUALIFICATIONS

Three Travers winners have won by disqualification. Lady Rotha won through the disqualification of Trial By Jury in 1915; Jatski through that of Run Dusty Run in 1977; and Alydar through that of Affirmed in 1978.

HOMETOWN HERO

Tiz the Law added to a banner year in 2020, becoming the first New York-bred to win the Travers since Thunder Rumble in 1992. Earlier in the campaign, Tiz the Law became just the fourth New York-bred horse to win the Belmont Stakes and the first since 1882 to capture that feat. In the Travers, he again joined exclusive company as a state bred, with Tiz the Law becoming just the third horse to win the "Mid-Summer Derby," joining 1867 victor [and first Belmont Stakes-winner] Ruthless.

TRAVERS TROPHY

The original Travers trophy is the gold "George III" Man o' War Cup, crafted by Tiffany & Co. It is nine inches high and 12 1/2 inches in diameter. The Cup was won by Mrs. Samuel D. Riddle when her great racehorse, Man o' War, defeated the first Triple Crown winner, Sir Barton, in their 1920 match race in Canada. It was donated to the Saratoga Association by Mrs. Riddle to be used as a permanent trophy for the Travers, with the condition that a member of the Riddle family make the presentation each year. The names of the winners of all the runnings of the Travers Stakes have been inscribed on the Man o' War Cup. A gold-plated replica is presented every year to the winning owner.

OFF TRACKS

Of the previous 155 runnings of the Travers, 106 (68.39%) were on a fast track and 49 (31.61%) on an off track.

NO PLACE OR SHOW WAGERING

Since the advent of parimutuel wagering in New York in 1940, place and show wagering have been canceled on the Travers three times.

The first was in 1941 when Triple Crown winner Whirlaway ran against only two opponents. In 1942, place and show wagering was canceled when Shut Out ran against three other horses. In 1947, Young Peter defeated his two opponents.

Show wagering (only) on the Travers has been canceled on four occasions: in 1951, 1967, 1978 and 1994.

SMALLEST AND LARGEST FIELDS

The smallest fields were in 1883, 1889, 1892 and 1921, when only two horses ran. The largest field was in 1977, when 14 went to post. In 2016, 1990 and 1965, 13 horses started in the Travers; and in 2019, 2017, 2008 and 1956, 12 competed in the "Mid-Summer Derby." Fields of 11 have started in the race six times: in 2012, 2010, 1993, 1974, 1968, and 1874.

LETTERS OF WINNERS

"B" is the most popular first initial for winning Travers runners with 15 winners.

A-12 **B**-15 **C**-11 **D**-8 **E**-5 **F**-7 **G**-8 **H**-10 **I**-2 **J**-6 **K**-4 **L**-7 **M**-5 **N**-2 **O**-4 **P**-4 **Q**-1 **R**-7 **S**-14 **T**-11 **U**-1 **V**-2 **W**-9 **X**-0 **Y**-1 **Z**-0

TRAVERS CANOE

One Travers tradition is the canoe in the infield lake. Each year it is painted in the colors of the Travers winner; in 2012, two canoes were placed in the lake after Alpha and Golden Ticket dead-heated for the win. The first mention of the canoe was made in the newspaper The Saratogian on opening day at Saratoga, 1926. The story reads:

"Visitors thronged round the grounds and emanated gasps of surprise when their eyes first met the beauty of the center field. The artificial lake with its enhancing foliage and shrubs, the graceful movements of the swans about the water and its personal-touch with two brightly colored canoes..."

No mention of the canoes is made for some years, and it is speculated that they disappeared for some time to make way for swans in the lake. The swans, however, were ruled off in the 1930s because of the potential that they might attack picnickers in the infield. They were replaced by one canoe. For an unknown number of years it floated in tranquility, painted blue. In 1961, it was decided that the canoe should be painted in the colors of the Travers winner. Its exact origins, however, remain a mystery.

Payoffs are since the advent of parimutuel wagering in New York in 1940. Jim Dandy won the 1930 Travers at odds of 100-1.

Remembering Marylou Whitney

Marylou Whitney, whose philanthropic initiatives and contributions to racing earned her the nicknames "Queen of Saratoga" and "Grand Dame of Saratoga" among other honors, died Friday, July 19, 2019 at her Cady Hill home in Saratoga Springs, NY. She was 93.

For seven decades, Mrs. Whitney was among the most successful owners in thoroughbred racing. She married Cornelius Vanderbilt "Sonny" Whitney, one of the founders of the National Museum of Racing and Pan American Airlines, respectively, in 1958. Their stable embarked on a winning tradition, with Tompion capturing the Travers in 1960 and Chompion winning the Mid-Summer Derby in 1968.

The family's contributions to racing went beyond trips to the winner's circle. In the 1970s, the Whitneys helped convince the New York Racing Association, Inc. (NYRA) to keep Saratoga Race Course open as a viable part of its racing calendar at a time when wagering and attendance sagged. Their efforts and long-term vision continue to benefit racing, with the Saratoga meet attracting more than one million fans annually.

"An avid horsewoman and true lover of the sport, Mrs. Marylou Whitney was one of thoroughbred racing's greatest ambassadors. As owner of her eponymous stable, Marylou was a top breeder and a committed supporter of the thoroughbred industry, who delivered some of the most memorable moments in New York racing. Marylou's passion for racing was only matched by her love for the City of Saratoga Springs and her support for the backstretch community. Her generosity was unparalleled and the list of her contributions is endless. Saratoga would not be the destination it is today without the esteemed leadership, dedication and support of Marylou. Marylou's love of this sport and city will have a lasting impact on generations to come," said NYRA CEO & President Dave O'Rourke.

Beyond racing, the Whitneys made a huge impact in the Saratoga community, founding the Saratoga Performing Arts Center (SPAC), which opened in 1966 and continues to host world-class musical and dance performances to this day, helping turn Saratoga into a true summer destination for tourists.

Following C.V. Whitney's death in 1992 at age 93, Mrs. Whitney opened her own stable, which garnered industry-wide acclaim with her Eton blue and brown silks quickly becoming synonymous with racing excellence. In 2003, Bird Town, trained by Nick Zito, made Whitney the first woman in 80 years to own and breed a Kentucky Oaks winner when she captured the "Lillies for the Fillies." Mrs. Whitney and Zito continued to make history in 2004 when Birdstone won the Belmont Stakes, ending Smarty Jones's Triple Crown bid, and then winning the Travers just before a massive rainstorm pelted Saratoga.

In all, Marylou Whitney Stables earned nine graded stakes victories and campaigned more than 190 winners from 2000-2019.

Born Marie Louise Schroeder on December 24, 1925, Mrs. Whitney grew up in Kansas City, Missouri. The daughter of Harry Schroeder, an accountant who had attended law school with Harry Truman, and mother Marie Jean, Mrs. Whitney had an active childhood in which she was a member of Troop 44 of the Girl Scouts of America.

After graduating Southwest High School, she attended the University of Iowa for a time before working as an actress, appearing in movies and television shows. Her work in radio also brought her acclaim, highlighted by the show "Private Smiles" on KCKN, catering to servicemembers during World War II.

In 1994, Mrs. Whitney met John Hendrickson, who was working as an aide to Alaska's then-governor Wally Hickel. They married in Alaska in 1997, and the couple continued their philanthropic endeavors, serving as founding members of the Thoroughbred Retirement Foundation and as founders of the Markey Cancer Center in Lexington, Kentucky.

Mrs. Whitney continued to make her mark beyond the scope of the racetrack itself, facilitating with her husband, John, the Saratoga Backstretch Appreciation program to help stable workers who are away from home during NYRA's Saratoga summer meet.

Mrs. Whitney was presented with an Eclipse Award of Merit in 2010 for her contributions to racing. She was elected to the Jockey Club in 2011. Other honors among a long litany include the moniker "First Lady of the Kentucky Oaks" in 2015 for her charitable works.

As an indelible part of Saratoga's history, the Whitney legacy can be seen all over the City of Saratoga Springs, including along famed Union Avenue outside of Congress Park where in 2015 Mrs. Whitney and Mr. Hendrickson gifted a statue of Native Dancer that has become a landmark at the start of the street where the famed racetrack sits. That same year, NYRA enshrined Mrs. Whitney in the Saratoga Walk of Fame, where the most legendary trainers, jockeys and owners in the Spa's rich history are honored.

In 2018, Mrs. Whitney was in attendance as the Racing Hall of Fame inducted three generations of Whitney's as Pillars of the Turf, including Sonny, his father, Harry Payne Whitney, and his grandfather Williams Collins Whitney, who purchased Saratoga Race Course in 1900 and helped create Belmont Park.

Mrs. Whitney's husband John Hendrickson passed away in August 2024. She is survived by her five children, Louise "M'Lou", Frank "Hobbs", Henry "Hank," Heather and Cornelia.

THE WHITNEY

The Grade 1, $1 million Whitney, along with the Grade 1, $1.25 million Travers three weeks later, are two of the biggest days in North American racing. Named after the family that for generations has had so much to do with racing at Saratoga, the Whitney Handicap was first run in 1928. The Whitney family's involvement with thoroughbreds began when William Collins Whitney, one of the founders of The Jockey Club, began campaigning racehorses in 1898, bearing the familiar Eton blue-and-brown silks. His legacy was carried on by his son, Harry Payne Whitney, and grandson, Cornelius Vanderbilt "Sonny" Whitney, who died in 1992, with other family members involved under various names including Greentree Stables. Mrs. Whitney's husband John Hendrickson passed away in August 2024. She is survived by her five children, Louise "M'Lou", Frank "Hobbs", Henry "Hank," Heather and Cornelia.
